

## **Instructions for Applicant**

### **Who Must Sign This Application**

The applicant is required to sign or make a mark where indicated, **UNLESS THERE IS A LEGALLY APPOINTED GUARDIAN**. If an application only makes a mark, a witness must sign on the second line.

**If there is a legally appointed guardian:** The guardian is required to sign where indicated on behalf of the applicant.

**Note:** Guardianship for an adult can only be obtained through a court action. This is not the same thing as being named a Representative Payee by Social Security. If you have any questions, call the intake worker.
